Aparatos sanitarios y complementos

Memoria

Designed by Christophe Pillet

Aesthetic touches to bathrooms.

Memoria washbasins introduce a whole new look in the bathroom with their sharply delineated outlines, exquisitely slender forms, and smooth and glossy surfaces.

Rectangular, oval and round washbasins available in four color choices perfectly complete the bathroom furniture.

Memoria

Stylish and elegant bathrooms are at the center of urban homes today. Inspired by nature, it has a minimalist design where aesthetic details and practical solutions are perfectly combined.

Available in a variety of different shapes and sizes, the Memoria infinit washbasin adds a timeless design to the bathrooms, bringing together the modesty of modernism and the allure of design.

Memoria

Stunning washbasin and WC pan designs in a variety of colors available with polished or matte glazing are among the pieces that add distinction to Memoria Black.

- A range of colors available with polished or matte glazing.
- Faucet islands in the basins increasing wet space functionality.
- Comfortably wide and ergonomic washbasins and Rim-ex WC pans.

Istanbul

Designed by Ross Lovegrove

Excellent combination of fluent forms and fine lines.

Ross Lovegrove has created a new bathroom for the Istanbul series with a sophisticated approach inspired by nature. The bathroom's outstanding combination of fluent and sculptural forms with fine lines testifies to Vitra's mastership of production technology as well as Lovegrove's unique approach to technology and materials.

With their innovative forms and alluring lines, the ceramic units and auxiliaries of this new bathroom suite further enhances the fabulous ambiance of the series and creates a whole new user experience.

Elegant pieces achieve an impressive harmony with the fine lines of the Istanbul series. New generation washbasins with metal pedestal and countertop options feature minimalist, yet striking, details. Moreover, the compact form and unique design of the new generation urinal adds pure stylishness to the series, especially with their concealed installation option.

Aria

A touch of classics in your bathroom.

Let classic winds blow in your bathrooms. Blending comfort and elegance for lovers of classic, Aria is set to change the atmosphere of your bathroom.

Aria WC pan can be use with wooden or duroplast WC seats.

Undercounter and countertop washbasins have wide bowl areas and differentiate from other washbasins through aesthetical inner bowl details, complementing the classical design language of the series.

High level and low level cisterns are available to complement different bathroom settings.

Product code	Description
7672BX03-0075	Rim-ex wall-hung WC pan, 56 cm
	 <p>Additional pipe may be required as to wall thickness.</p>
	Rim-ex wall-hung WC pan, 56 cm
7672BX03-1084	With bidet function, with standard cartridge integrated stop valve (on left)
7672BX03-1087	With bidet function, with standard cartridge integrated stop valve (on left), with VitrAfresh liquid cleaner tank
	Standart cartridge integrated stop valve, (mixes hot and cold water for bidet function). For best user experience temprature of the water should be arranged via valve handle. To prevent dangerous surges of heat due to instant hot water, it is highly advised to process water while handle is in middle (mix) position. If you have heating system that work with gas (combi boiler, flash heater etc.), low flow rate of bidet water might prevent the system to heat and result in late arrival of hot water. It is advised to use thermostatic cartridge integrated stop valve if you have central or electrical heating system.
7672BX03-1584	With bidet function, with thermostatic cartridge integrated stop valve (on left)
7672BX03-1587	With bidet function, with thermostatic cartridge integrated stop valve (on left), with VitrAfresh liquid cleaner tank
	Thermostatic cartridge integrated stop valve (mixes hot and cold water for bidet function) For best user experience temprature of the water fixes at maximum 38 degrees. If you have heating system that work with gas (combi boiler, flash heater etc.), low flow rate of bidet water might prevent the system to heat and result in late arrival of hot water. It is advised to use thermostatic cartridge integrated stop valve if you have central or electrical heating system.
7672BX03-1086	With VitrAfresh liquid cleaner tank
	 <p>Additional pipe may be required as to wall thickness. 7672BX03-1086</p>

- Metropole Collection is offered in X03 White color only. • 10 years warranty is offered only for ceramic sanitary ware product.
- 2 years warranty is offered for WC seat, bidet/urinal lids. • For the prices, please see our price book.

Nest Trendy / Nest

Designed by Pentagon Design

Refined and restful.

Nest represents high-quality design which is available to everyone in their bathroom regardless of bathroom size. With a wide range of functional products designed along new generation modularity, Nest serves the needs of every member of the family. Ergonomic features transform a bathroom to a pleasurable space. Nest yields practical solutions that offer family sized comfort. Lines are pure and soothing, solutions “considerate” and “attentive” to real needs.

Nest Trendy / Nest

A compact solution set for smaller bathrooms: Plain mirror with shelf and lighting over a pedestal or semi-pedestal washbasin. The towel bar that can be fitted on the 60 cm washbasin adds flair to the set.

WC pan design that complements the Nest series. Water-saving WC pan is ideal for large families. At the same time WC pan hidden mounting system and hanged feature provide conceptual integrity and ease of cleaning. Built in interval tap offers the possibility to mix hot and cold water for bidet. The Softly-closing WC pan Lid in particular the assurance of a safe and quiet operation for families with children.

Nest Trendy / Nest

Furnished washbasins in 60x35 cm sizes specially designed for narrow counters integrates perfectly ...
Due to the special form that prevents splashing water makes the use of a dry countre space.

Concealed fixing installation of the WC pan provides visual integrity and ease of cleaning. The water saving WC pan is ideal for large families, and parents will love the soft closing WC seat for its safe and silent operation.

With Vitrafresh feature, the liquid cleaner tank on top of the Nest WC pan adds detergent to the flushing water, maximizing hygiene and freshening the air with every flush. Thermostatic stop valve integrated to the WC pan allows users to mix hot and cold water coming from the bidet nozzle and fixes the water at maximum 38 degrees.

Sento

Inspiring combinations from VitrA.

Sento with a Nordic clarity offers all the modules needed in a bathroom with functional and warm details. The series includes different solutions for storing cleaning materials. Sento has a multipurpose unit to house a washing machine and laundry basket. Fine and rounded corners ensure safety and enable easy cleaning in small bathroom spaces.

NEW

Sento

Large and deep vanity basins prevent water splash and ensure comfortable use.

In addition to their modern designs, Sento washbasins offer a functional washbasin experience with deep bowls, a large vanity area and back rim features.

Washbasins in different sizes provide ideal solutions for both large and small bathrooms.

NEW

Slim WC seats and Slim cistern lids are just two of the innovations offered by Sento WC pans. The Sento WC pan's soft and pure lines create a precise and elegant harmony with whole series and especially with Sento washbasins.

Shift

Designed by NOA

Freedom of choice.

NOA Design Group designed the ceramic bathroom products, furniture and bathtubs in the collection. The faucets, on the other hand, bear the signature of INDEED Design Office.

Shift

Shift Rim-ex WC pan is easy to clean with its channel-free internal bowl design.

Shift provides users the opportunity to design bathrooms with complete freedom. Your imagination will be set in motion as Shift's modular furniture forms and adaptability surpass stereotypes. A large selection of modular furniture is available that can be used freestanding or combined with washbasins.

Single washbasins

Suitable for all bathrooms.

VitrA offers washbasins options in different forms and sizes. The ideal solution to create the bathroom you want!

Outline

NEW

Distinctive design and durable material.

The Outline series is characterized by distinctive design and Cerafine material that gives a new look to bathrooms. Stronger, finer, more modern and more aesthetic.

Modern, authentic and charming, Outline washbasins come in 5 different forms – TV, oval, square, pebble and round, and in 5 colors – matte black, matte mink, matte taupe, matte white, and white.

Sanitary ware and complementary products icon guide

Water saving

Developed by VitrA with special bowl structures and low-flow internal mechanisms, the 2,5/4 L water conserving WC pan provide efficient flushing with less water and are certified for lowest water consumption by EU standards. When used together with VitrA concealed cisterns, these WC pan can reduce water consumption by up to 70 %.

Green building certification

These products fulfill Green building certification (LEED, BREEAM and DGNB) criteria with their environmentally-friendly features including lower environmental footprint, water, conservation and the use of local materials, as well as life cycle assessment (LCA), environmental product declaration (EPD) and sustainable forestry (FSC), certificates. They are recommended for projects aiming for a Green building certification.

Special needs

VitrA bathroom products designed to accomodate seniors and people with special needs are wheelchair accessible and provide enhanced convenience in the bathroom.

Rim-ex

The smoothly attractive rimless WC pan Rim-ex prevents germ proliferation and offers superior hygiene thanks to its innovative design. Tests undertaken by the Akdeniz University show Rim-ex is 95 % more hygienic as compared to standard WC pans.

Easy installation

Easy and quick installation with innovative applications.

VitrAclean

Limescale is persistent in most bathrooms. VitrAclean technology is a special double-glazing process that makes washbasins, WC pans, urinals and bidets water repellent. No harsh chemical cleaning agents are needed to keep them beautifully stain-free for years.

VitrAhygiene

VitrAhygiene is a unique glazing process developed by VitrA to prevent germ proliferation in the moist bathroom environment. From washbasins to WC pans, bidets or urinals, sanitary ware produced with VitrAhygiene technology offer superior hygiene to users throughout the products' lifetime.

VitrA clean

Stain Free

Thanks to its double glazing technology, VitrA clean keeps sanitary ware sparkling clean and looking their best for years and eliminates the need for strong cleaning agents.

Applicable to ceramic sanitary ware products including washbasin, WCs and bidets.

VitrA hygiene

Bacteria Free

VitrA hygiene's anti-bacterial glaze contains silver particles that reduce bacterial growth, offering 99.9% resistance to germs. Bathtubs and shower trays are made of Lucite Care antibacterial acrylic plates to enhance hygiene.

Applicable to ceramic sanitary ware products including washbasins, WCs, urinals, bidets, bathtubs and showertrays.
